**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition! That is the American way. We paid so much more money every month with the big guys, a lot of money for people on fixed incomes, and could no longer afford the service until we signed up with smaller company Sonic. I do not approve of limiting competition!
